

East Berkshire, Vermont.
Apr. 11th 91

Director of the U. S. Mint.
Philadelphia,
Pa.

Dear Sir,

The enclosed item
clipped from a New York newspaper
has attracted my attention and
I would be pleased to receive
the Circular Letters mentioned
which probably contain full infor-
-mation as to the requirements &c
of the designs to be submitted.

Respectfully yours,

Chas. H. Antrim

— The Director of the Mint at Philadelphia, has prepared a circular letter to artists asking them to submit designs for both the obverse and reverse of the standard silver dollar, and separate designs for the obverse, or face, of the half dollar, quarter dollar and dime. The reverse of the subsidiary silver coins will not be changed. No change will be made in the gold coins.

East-Berkshire-Vt.
April 11. 1891

Chas H. Andrews.

Wants circular relative
to new designs for Coins.

NARA RG104, Entry 1, Box 169

[Abstract:] Wants circular relative to new designs for coins.

East Berkshire, Vermont
April 11, 1891

Director of the U.S. Mint
Philadelphia, Pa.

Dear Sir:

The enclosed item clipped from a New York newspaper has attracted my attention and I would be pleased to receive the circular letters mentioned which probably contain full information as to the requirements &c of the designs to be submitted.

Respectfully yours,
Chas. H. Andrews

[Enclosed clipping:]

The Director of the Mint at Philadelphia, has prepared a circular letter to artists asking them to submit designs for both the obverse and reverse of the standard silver dollar, and separate designs for the obverse, or face, of the half dollar, quarter dollar and dime. The reverse of the subsidiary silver coins will not be changed. No change will be made in the gold coins.
